RESPONSE TO RESTRICTION REQUIREMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-150

Sir:

In response to the restriction requirement mailed February 11, 2005, Applicant provisionally elects Group I, claims 14-21 with traverse. The grounds for traversal are that examination of both groups would not place an undue burden on the Examiner. The non-elected claims share several common features with the elected claims, and a search for the two groups would likely overlap. For this reasons, reconsideration and withdrawal of the restriction requirement is respectfully requested.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
